

# The Magic of Family History

We all know it's not that simple — we can't just pull a bunny out of a hat and find our ancestry. Even so, some tips from an expert can make it seem like magic! Coming soon, back by popular demand, the Silicon Valley Computer Genealogy Group presents...

**The magician:** **Barbara Renick**

Well known genealogist and popular family history lecturer

**Where:** **Quince Avenue chapel, LDS Church**  
875 Quince Avenue  
Santa Clara, California

**When:** **October 11, 2008**  
9 a.m. to 4 p.m.  
Free, open to the public, no reservations

- Topics:**
- ★ The magic of family history
  - ★ Eleven layers of online searching
  - ★ Evaluating what you have found
  - ★ Mistakes I have made (and you can avoid)

**Info:** **[WWW.SVCgg.org](http://WWW.SVCgg.org)**
